Python Developer with 3+ years of experience designing, developing, and maintaining scalable web and desktop applications using Python, Django, Django REST Framework, Flask, FastAPI, Electron, and SQL databases. Experienced in REST API development, report generation, database optimization, authentication systems, and business automation solutions. Strong knowledge of MySQL, PostgreSQL, Microsoft SQL Server, Git, and modern frontend technologies.

SKILLS

Programming
- Python
- JavaScript
- SQL

Backend
- Django
- Django REST Framework (DRF)
- WebApp3
- Flask
- FastAPI
- REST API Development

Frontend
- HTML
- CSS
- Bootstrap
- Tailwind CSS
- jQuery

Databases
- MongoDB
- MySQL
- PostgreSQL
- Microsoft SQL Server.

Tools
- Git
- GitHub
- Postman
- VS Code
- PyCharm
- Electron

WORK EXPERIENCE

Software Developer
Ganesh Park Center Pvt Ltd
(Feb 2025 – Present)
- Developed and maintained a Jewellery Management Reporting System using Python, Django, Django REST Framework, and Microsoft SQL Server.
- Built stock, purchase, sales, purity, and inventory reports, with interactive tables and export features.

- Created REST API endpoints and SQL queries to retrieve and consolidate data for business reporting.
- Integrated employee timesheet management into the reporting system, including time and leave tracking, validation, overlap detection, hour calculations, and administrative tools.
- Built a Gold & Silver Estimate desktop application using Electron, JavaScript, HTML, CSS, Bootstrap, jQuery, and Google Apps Script.
- Packaged the estimation application as a standalone Windows executable.

Python Developer
Bluekode Solutions
(April 2024 – May 2024)
- Developed payroll management backend services using Python and Django.
- Built REST APIs and optimized SQL queries.

Associate Software Developer
Ardhas Technology Pvt Ltd
(Jun 2022 – Mar 2024)
- Developed Webapp3-based website and Flask-based chatbot.
- Built authentication systems and backend modules.
- Worked closely with UI/UX teams to deliver responsive applications.
- Participated in debugging and client support.

PROJECTS

Online Education Website (iLearn)
(*Tech Stack: Webapp3, MongoDB, HTML, CSS, Bootstrap, JavaScript)*
- Developed a secure education platform with authentication and role-based access.
- Built responsive UI components and integrated backend services.
- Collaborated with team members to deliver client requirements on schedule.

Jewellery Management Reporting System
(*Tech Stack: Python, Django, Django REST Framework, Microsoft SQL Server, HTML, CSS, Bootstrap, JavaScript, jQuery)*
- Developed stock, purchase, sales, purity, and inventory reports for jewellery business operations.
- Built REST API endpoints to provide report data and support timesheet and purity management workflows.
- Wrote SQL queries to retrieve and consolidate data from multiple SQL Server databases.
- Created interactive report tables with search, sorting, pagination, and export features.

Gold & Silver Estimate Desktop Application
(*Tech Stack: Electron, HTML, CSS, Bootstrap, JavaScript, jQuery, Google Apps Script)*

- Built desktop applications for estimating gold and silver ornaments.
- Converted web applications into standalone Windows desktop software.
- Designed responsive interfaces and packaged applications as executable files.

Employee Time Sheet Management Desktop Application
(*Tech Stack: Python, Django, Django REST Framework, Microsoft SQL Server, HTML, CSS, Bootstrap, JavaScript, jQuery)*

- Integrated employee timesheet entry and administrative management into the Jewellery Management Reporting System.
- Implemented time and leave tracking, validation, overlap detection, work hour calculations, and report filtering.
- Added administrative features to search, edit, and delete timesheet entries.

EDUCATION

UG

- Bachelor of Engineering (Electronics and Communication Engineering)
- Annapoorana Engineering College | 2017–2021 | CGPA/Percentage: 73.2%

HSE

- Sengunthar Mahajana Hr. Sec School (2017)
- HSE Percentage : 62.25%

SSLC

- Sengunthar Mahajana Hr. Sec School (2015)
- SSLC Percentage : 71.4%

LANGUAGES

- Tamil
- English
